Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: Russian. Brand new Book. Astrology for believers and non-believers, as well as for scientists Golden sections in astrology. Statistical evidence of astrology. Astrology and Christianity. In Russian. . The first part of the book is devoted to the study of the golden section ("Section Divine") in the astrological birth charts (in horoscopes). The golden sections are, in particular, the universal code and driver of a development of the whole structured in nature. Golden sections in horoscopes show the directions and drivers of the development of character and fate of Nativ, be it a person, or country, or the history of mankind as a whole. The second part of the book is devoted to statistical and experimental proofs of correctness characteristics zodiac signs. By this part applies chapter "Solar activity is dependent on cycles of the planets" and "Star of Kings in the cards of monarchs of Russia and Europe" - in this chapter shows that the horoscopes of famous monarchs and presidents strongly (statistically) different from the "average " horoscopes "ordinary people," and, in turn, horoscopes Russian emperors statistically very different from the horoscopes of Western leaders. The third part of the book ("Astrology and Christianity") describes the history of relations between the Church and an astrology, as well as there is an attempt to consider astrology in the light of Christian teaching (through the Old and New Testaments) - including, of course, the discuss about the Gospel history of the Magi . The book may be of interest not only to astrologers, but also scientists, and to the general reader . NOTE: the book published in Russian.
